## Merry Christmas

Thanks to all the kids that came out to see Santa for the Children's Christmas Party. The grownups also had a great time at their Christmas party which we had catered this year which was a great change.

We are pretty much geared up for the Snowmobile Season at this point, all we are missing is snow. The long term forecast is not looking too promising for our area so we just have to wait it out at this point.

We hope that everyone has a Merry Christmas and enjoyable Holiday Season.

We look forward to seeing you at our next meeting to kick off the new year on January 2<sup>nd</sup> at 8:00 pm at the clubhouse located on Irwin Rd.

### Trails

We've got the trails in good shape and at this point are awaiting snow. Most of the trail signage is in place and we are ready for trial inspections. We also did some work on the Pisten Bully groomer tracks to ensure once it gets running it stays running for season.

Trails will open following the conclusion of deer season on December 23<sup>rd</sup> conditions permitting.
